

Home for the Holidays

How to Give

Sponsor a Family: Help us ensure that each family member gets exactly what they want this year. Offer support to an individual Saint Louise House family by shopping for items on their unique wish lists!

Trees: Many of the families that have found a new home at Saint Louise House this year came with almost nothing. Help them start building their holiday traditions by providing a 3' artificial tree.

Christmas Pajamas: Giving festive Christmas Pajamas to the children who call Saint Louise House "home" is a great way to help children stay warm and festive during the colder months.

Gift Cards: The gift of a gift card allows the mothers who call Saint Louise House home to shop for special gifts and holiday food that she knows her children will enjoy. Consider making a donation of \$10, \$20 or \$40 HEB or Walmart Gift Cards or spread even more joy by doing a Gift Card Drive with your co-workers, friends, school, neighbors or group.

Give Financially: You can change the course of a woman's life and the lives of the children who depend on her. Help build a better future for mothers and for their children, empowering both generations at once to overcome homelessness and end the cycle of poverty. Visit www.SaintLouiseHouse.org and click on "Donate Now" or mail-in a tax-deductible contribution to: Saint Louise House, P.O. Box 150637, Austin, TX 78715.

All items should be dropped off at Saint Louise House by December 7th. Please contact Taylor Arrington at 512.364.9030 or volunteer@saintlouiselhouse.org for more information.

SAINT LOUISE HOUSE

Build. Believe. Become.

Saint Louise House empowers women and their children to overcome homelessness for generations to come by providing housing and wraparound supportive services to women-led families. Individuals, families, and organizations can brighten the lives of Saint Louise House families this holiday season by participating in Home for the Holidays.
